

## Corda Ritorta Polipropilene

**Settore di impiego:** Nautica, Ferramenta, Edilizia.  
**Composizione:** Filato in polipropilene stabilizzato UV.  
**Torcitura:** A tre capi liscia con torsione Z-S.  
**Colori:** Arancio.

## Twisted Polypropylene Rope

**Applications:** Nautical, Hardware, Building.  
**Composition:** UV stabilized polypropylene yarn.  
**Twisting:** A three strands smooth with torsion Z-S.  
**Colours:** Orange.

## Corda Ritorta Polysteel

**Settore di Impiego:** Agricoltura, Pesca, Industria.  
**Composizione:** Filato in polysteel.  
**Torcitura:** A 3 capi a doppia torsione Z/S  
**Colori:** Verde.

## Twisted Rope Polysteel

**Application:** Agriculture, Fishing, Industry.  
**Composition:** Polysteel yarn.  
**Twisting:** A 3 strands with double torsion Z/S  
**Colours:** Green.

## Corda Ritorta Piombata

**Settore di Impiego:** Nautica.  
**Composizione:** Rivestimento esterno in poliestere.  
**Torcitura:** Numero 2 lignoli con piombo.  
**Colori:** Bianco.

## Twisted Rope Lead

**Application:** Nautical.  
**Composition:** Polyester outer coating.  
**Twisting:** Number two strands with lead.  
**Colours:** White.
